Do Everything Spanish Andalusian Mare

Description

It is very hard to find a horse for sale that gets a check mark in every box important to buyers: Good conformation, movement and temperament; not too young, not too old; great pedigree; proven broodmare; no skin problems in the worst Texas summer; easy keeper; clean health history; an all around horse suitable for show or pleasure (halter, sport horse, riding, working equitation), great on trails. She can move when asked but stands quietly. Many horses have a few famous horses in their pedigree but Gisele has two dozen ! Many national champions of the U.S. Mexico and Spain. There are multiple videos of Gisele including first work on a line and first saddles in 2018 and recent rides by multiple amateurs. see <https://www.youtube.com/watch?v=lxmfQhDu2gg>
